Migrating Classes in Veracross

(Copying Content from one year or term to the next)

The Veracross faculty portal has a feature that enables you to copy **Assignments, Lesson Plans, and Pages** from one year or term to the next. Library resources are always available to you year after year and do not need to be re-uploaded. *Please note that migration cannot be undone and you must manually delete unwanted materials that have been copied.* To migrate courses:

1. Click on "Class Setup" in the right column of your faculty portal homepage:

2. Click on "Start a New Migration."

3. Under "Select Source," select the button for the class you would like to copy content FROM.
